

August 3, 2020

Dear Families and Friends,

God bless all of you as we enter into a new month during this pandemic! We continue to be Covid-19 Free here at Mullen Home and continue to feel extremely grateful and blessed. Thank you all for your continued prayers and support.

We have no new updates this week; however, we would like to remind you that we have to continue with the fairly strict guidelines that we follow each day here at Mullen Home based on the input from the Colorado Department of Public Health and Environment, along with the CDC. Here are the reminders for all of you who may be visiting your loved ones outside here at Mullen Home:

1. Please wear your mask/face coverings during your family visits on the property.
2. Please keep social distancing to the 6-foot rule.
3. Please wash your hands prior to your visit or at the very least use the hand sanitizer provided to you while on your visit.

Other requirements by the Health Department include the following:

1. Only 2 visitors at a time (our policy is over the age of 12).
2. No one should visit who has recently been directly exposed to suspected or confirmed Covid-19.
3. If you are experiencing any cold-like symptoms, fever, diarrhea or vomiting, please do not visit for at least 72 hours after the symptoms have been clear.

Thank you all for everything you do! And especially thank you for giving us the opportunity to take care of your loved one!

God bless you,

*Mother Mercy, L.S.P.*
