

December 26, 2020

Dear Family Members and Friends of our Mullen Home Residents,

Happy “day after Christmas”! We hope that your Christmas was blessed, in spite of the present situation. You may be interested in reading in the *National Catholic Register* a little bit about our Christmas preparations here at the Mullen Home:

<https://www.ncregister.com/features/extending-comfort-and-joy-to-the-elderly-this-christmas>

For our COVID update this week, I am thrilled to be able to report to you that — after receipt of further data — we can definitively conclude that the one positive Coronavirus test result we had this past week in the nursing section of our Home has indeed turned out to be a lab error/false positive. We are so happy about that! So our nursing Home Residents have remained COVID-free ever since the beginning of the pandemic. Our three apartment Residents who have tested positive are now all doing fine.

So that’s it for this week. We Little Sisters wish you God’s blessings as all of us wrap up a year of both challenges and grace, and look forward to the New Year to come!

In the joy of our Newborn King,  
*Mother Mercy, lsp*
