

May 23, 2021

Dear Mullen Home Families and Friends Near and Far,

Greetings from our LSP family, where Sr. Sarah, Sr. Michael Anthony and I are so grateful for the warm welcome we have received upon our arrival at the Mullen Home in recent days. We look forward to meeting you all when the time comes!

A few updates:

- We continue to have no COVID at the Home—neither residents nor staff. Thanks be to God!
- One-hour indoor and outdoor visits continue by appointment (per: Health Department guidelines).
- The updates we are eagerly awaiting from the State Health Department regarding easing up on some of the restrictions still have not come. We were informed a few days ago that the Department needs two more weeks to deliberate on what CDC proposes to allow, so Colorado nursing homes do not have those liberties yet at this point. We look forward so much to being able to give you good news on that!
- Monica, our volunteer coordinator who schedules the visit appointments, has left us in order to prepare for the birth of her baby. Please keep her in prayer! Sr. Mary William has kindly taken over the visit scheduling for now, with the continued Friday 12 noon deadline each week for visits during the following Sunday-through-Saturday week.

We thank God for His continued blessings upon us, and we ask Him to bless each of you as well!

Sincerely,

*Mother Paul, lsp*
