

10/10/2021

Greetings from the Little Sisters to all of our Residents' families and friends!

We are welcoming the fall weather here at the Mullen Home — sorry that summer passed once again without our being able to engage in full-swing summer activities due to the pandemic, but happy and grateful, nonetheless, that we are still COVID-free in our Home.

We continue our “outbreak exit” testing, which ends with our Oct. 12 round of COVID tests, and if all those results come back negative, we will be out of the “outbreak” status which was caused by the Coronavirus-positive test of a visiting healthcare technician a few weeks ago. We will keep you posted on that.

Our Residents are enjoying their indoor visits once again, as well as communal dining and activities, which no longer need to be socially-distanced as long as the Residents are vaccinated.

We are working on setting up a date for our COVID booster clinic for all the Residents, and we have set Oct. 25th as the date for our annual flu vaccination clinic, which Walgreens will do here onsite.

So that's the news for now. Please keep well, and continue to join us in prayers of gratitude for God's blessings, and in petition that this pandemic will end soon.

God bless!
Sr, Sarah, lsp
