

November 26, 2021

Dear Families and Friends of our Mullen Home Residents,

We are blessed to report we have not identified any new positive COVID-19 cases amongst our staff or residents. As we continue to follow guidance from the State and local Department of Health we ask that you keep us in your hearts and prayers that we will rise above this very soon.

Our front-line staff here at the Home continue to stay encouraged and hopeful there will be an end to this pandemic. Despite the rising numbers of COVID-19 cases in the community we are blessed to live in God's mercy. The Home continues to be illuminated with the spirit of Saint Jeanne Jugan every day.

We at the Mullen Home, as well as the Health Department continue to encourage all visitors to consider receiving the COVID-19 vaccination with hopes to protect yourselves, the residents as well as the staff. The COVID-19 vaccination continues to be offered to the public in the community.

God bless you all.

United in prayer, *Sr. Sarah, lsp*

"Making the elderly happy that is what counts." ~ St. Jeanne Jugan
