

December 24, 2021

Dear Families and Friends of our Mullen Home Residents,

The Home continues with outbreak COVID testing for the residents and staff related to a new resident and staff case. With God's mercy and continued prayers, we will come out of this cycle very soon.

The Home has prepared for the holiday with beautiful decorations both inside and outside the Home. The residents are looking forward to Christmas and to enjoy the exquisite Christmas dinner and desserts that will be prepared by the Culinary Chef.

We are blessed to have Mother Provincial Julie here at the Home to spend the holiday with the Little Sisters, the residents and the staff. We are enjoying

our time with Mother Provincial Julie and her love and support is greatly appreciated.

God bless you all and Merry Christmas!

United in prayer, *Sr. Sarah, lsp*
