Dear Families and Friends of our Mullen Home Residents,

We regret to inform you the Home has identified a new positive COVID-19 employee case. This is a direct reflection of Denver county's community COVID-19 positivity transmission rate. We here at the Mullen Home in Denver are urging anyone who has not considered obtaining the COVID-19 vaccine, consider doing so in efforts to protect yourself and others. We pray for an end to this cycle.

Along with myself, all Little Sisters, residents, and employees, we are all praying for safe travels for Mother General as she departs the United States this week. Please keep her in your prayers as well that God keeps her covered.

We are all looking forward to the Christmas holiday here at the home. Christmas always brings such joy and peace to everyone this time of year and we are all due for some Christmas cheer. The Home will be decorated with beautiful lights and Christmas decorations for all to enjoy!

God bless you all.

United in prayer, *Sr. Sarah, lsp*
