Dear Families and Friends of our Mullen Home Residents,

The past couple of weeks have been very difficult for the Home as we have identified a number of positive employee COVID-19 cases. We are blessed we have not identified any resident COVID-19 cases. We are all trying to keep the faith and pray that we will soon overcome these difficult times. We pray for an end to this cycle.

It was God's will that along with myself and the other Little Sisters, we were all able to renew our vows here at the Home. We will continue to carry out our mission and live in God's way and with the spirits of Saint Jeanne Jugan.

We are all looking forward to the Christmas holiday here at the home. Christmas always brings such joy and peace to everyone this time of year. I know we can all agree we are all due for some Christmas cheer and an abundance of joy.

United in prayer, *Sr. Sarah, lsp*
