

What Visitors Can Do to Help Combat the Spread of COVID-19:

Many visitors often ask:

“what can I do to help combat the spread of COVID-19?”

Little Sisters of the Poor Mullen Home is proud to announce there is a new program offered by the State, which offers Coloradans free at home rapid tests.

- The Colorado Department of Public Health & Environment is providing free rapid tests to Coloradans.
- This new program help ensure Coloradans have access to multiple free COVID-19 testing options.
- Through ongoing testing, Coloradans can help slow the spread of COVID-19.
- Colorado is distributing free rapid COVID-19 over-the-counter tests directly to resident’s homes.
- The program uses rapid antigen tests that show results within 15 minutes.
- All Coloradans can sign up for the Rapid At-Home COVID-19 program.
- Colorado is the first state in the nation to provide these tests for free to Coloradans!

If you would like to place an order for the Rapid At-Home tests you can go to the following webpage:

<https://covidathometesting.colorado.gov/>

If you have questions regarding the program you can contact Colorado Department of Public Health & Environment at the following email address:
cdphe covidtesting@state.co.us

If you are looking for free local testing sites you can go to the following webpage:

<https://covid19.colorado.gov/testing>

Also, each US household in the U.S. is able to obtain four free COVID-19 at-home tests shipped directly to their home at no cost. All you need to do is visit the following webpage to place your order:

<https://COVIDtests.gov>
